THE LOOP 500ml SPORTS BOTTLE

The LOOP, turning bottles into… bottles!

The revolutionary LOOP sports bottle is made from recycled plastic milk bottles. In a closed loop production facility, plastic milk bottles are sorted and cleaned, shredded, and melted down into the granules which we use to manufacture the LOOP bottles. The production process uses only renewable energy in a closed loop, zero waste environment.

Reusable bottles significantly contribute to saving our natural resources, protecting against unnecessary waste and overuse of landfills.

Dishwasher safe and fully recyclable.

Digital and screen print available.

Made in the UK.
